Subject: FW:..... A document for the North Dakota Coyote Station Sharepoint Site
Attachments: Attorney Client Communication - Coal Contract Research

Hi Dylan

Thanks for uploading the Petition and attachments to the Sharepoint site, really helpful to have them all in one place!

I'm wondering if you would also upload the attached legal analysis I did regarding the nature of the contract between the companies. Alternatively, if I can get rights to upload to the site, I'm happy to upload myself.

Many thanks!
Sara

Subject: Better link to the documents for petition on the North Dakota Coyote Station

The link in Dylan's email below works better than the one from the law firm that Monica shared.

Subject: Petition on the North Dakota Coyote Station

Hi Gail,

I hope you are doing well after the shutdown.

We received a petition on the Coyote Station in North Dakota on January 15th. The Petition is attached and the attachments can be found [here](#). Looks like a common control issue that Matt will be assigned to.

Thanks,
